INTERNATIONAL ORGANIC CONCLAVE 2020

International Organic Conclave

International Organic Conclave is a platform to be inspired. The assembly ensures to cover each aspect of life, emphasizing on the day-to-day lifestyle and needs of organic means chemical free food. It will also give an opportunity to highlight insights from Global Leaders. IIAASD takes a distinctive approach to connect the ORGANIC fraternity with the end users through dedicated sessions on Food, Nutrition and Nutraceutical Therapies, Ayurveda, Health and Fitness, Agrotourism, along with many more topics, which are areas of deep interest according to today's scenario.

Performa

IOC 2020 is a two-day conference scheduled for 1-2 May 2020 at a sunrise organic park campus, Shree Pinjra Pole Gaushala, Jaipur. At first day pre and post lunch is covered with interactive session of delegates. The second days pre lunch session is having interaction session and after lunch visit of sunrise organic park campus.

Each day with discussion more and more solution will come and break the communication gaps between farmers, scientist, agri entrepreneur and innovators

With one of the key discussions on invasion by the pharmaceutical via organic means in the world of Naturopathy/ Ayurveda/ Beauty/ agriculture/ jobs, this has sparked a debate in the world of agriculture and wellness by comprehending "Excellence in healthy environment". It will also focus on ancient healing traditions across the Indian subcontinent and their impact on global practices.

About Venue

Sunrise Organic Park Campus

Sunrise Organic Park Campus is developed by Hahnemann Charitable Mission Society at Shree Pinjra Pole Gaushala. The purpose of this company is to promote the teachings and ideals of pure and natural products through educational and agriculture knowledge. The Centre organizes scientific, cultural, entrepreneur training and educational activities.

Sunrise Organic Park Campus was conceived in Jaipur, Rajasthan, India by the Founder Dr. Atul Gupta (an eminent social helper identify). The foundation stone of this magnificent dream on 17 June 1996 by the Hahnemann Charitable Mission Society.

The Sunrise Organic Park Campus is spread over 162 acre of space. It consists of a surbhi bhawan for 1000 people, experimental demonstration park, organic Shoppe and research centre.
