**International Institute of Advanced Agriculture Skill Development
(IIAASD)** A private institute is joint venture of Hahnemann Charitable Mission
Society, Jaipur.

PREAMBLE:

The Institute:

Today's scenario is student learn the things without understand the practical aspects as well how they convert it to their earning method. Hence, the need of skill development is necessary, especially in rural area where youth is facing the unemployment problem. The main problem we want to solve this by training programme is to provide stability in carrier both economically and education point for youth. Hence, on ground of quality education we share same thoughts for solving this issues we are requested to proceed the signing of MOU in this we together make a great bridge which cover all loop holes of skill education.

Vision

To provide light of hope to students and promotion of entrepreneurship farmers, Agri-Entrepreneurs through skill based programme.

Mission

To provide quality education to farmers, Agri- Entrepreneurs, Rural People, Students and Agri Professionals by availing them income oriented courses having future prospective, and bring out new technical aspects which provide more jobs and self employment opportunities in our country

International Institute of Advanced
